Einer der Renner unseres Sortiments, der seit Jahrzehnten eingesetzt wird. Stimmige Farben, ein Bouclégarn im Schuss, das als Kontrastfarbe oder Ton in Ton zu haben ist. Ein angenehmer trockener Griff. Äusserst pflegeleicht, wird ebenfalls oft als Vorhangstoff eingesetzt.

A top seller of our assortment, tried and tested for decades, in harmonious colors. The boucle yarn in the weft is available as contrasting color or tone-on-tone. Pleasant to the touch. Extremely easy to care. Can be used as a curtain fabric.
